Friday, Feb. 4:	

Night at Cavanaugh's Rescheduled

**Friday, January 28th
5:30pm**

Please see posters throughout the school with details

Movie Night

The board of Outreach and Social Ministry is sponsoring a movie night at Trinity Saturday, January 29 @ 6:30pm after the evening worship service. Beverages are provided and guests are encouraged to bring a snack to share.

Grown-ups movie is "Hachi: a Dog's Story"
Children's movie is "Babe"

Open House

A big thank you to you parents for the donations of items for the open house. The day was a big success and we couldn't have done it without you! Remember to keep spreading the word about Trinity, we have only just begun for next year!

Stevie B's

Heard about the new restaurant? Want to go check it out? Well here is your chance! Monday February 14th grab all your sweethearts and take them to Stevie B's in Appleton. Fifty cents from every person goes back to the school. Also, the class who brings the most people gets a pizza party!!! Come out and support the school, make sure they know you're from Trinity!

Free Tuition

Would you like one month free tuition next year? Trinity is holding a drawing for three, one month free tuitions! For every person you recommend to the school and they enroll their children, your name will be entered into the drawing. So tell your neighbors, tell your friends, and get them to the school!

The Busy Bees

The Busy Bees have been learning all about health and how to stay clear of germs. We talked about how important it is to wash your hands with soap and water. We scrub our hands together, in between our fingers and on the back side of our hands. We practiced singing the ABCs in our heads to let us know that we washed our hands long enough and that they were clean.

We had our open house on Thursday, which was a lot of fun! Thanks to all the parents for all of their help! Awesome job to all the students who sang this past Saturday in church and on Thursday for our open house! I hope everyone has a joyous weekend!

“Kindergarten Corner”

So the end of the quarter means that we are busy accessing our skills. I am very proud of our progress. If you ask a student what they can do that is really cool, they will probably tell you that they can read! How wonderful for such a powerful skill to begin to blossom. Just wait till the end of the year! We will promote reading as we enter the Fang Reading Club of the Timber Rattlers. Remember how we all had such a great time at the game last year? I hope we all hit our goal again this year. Thanks for worshipping with us on Sat. The children sounded, I think, the best they ever have. Such a sweet sincere sound. To God be the Glory.

First and Second Grade Spotlight

This week our Special Friends created pinecone birdfeeders with us! We have been learning about weather in Science and the effects it has

on the environment and animals that adapt to it. In Social Studies, students are learning about producers, consumers, goods, and services. First grade Reading is exploring how to express possession in their writing; while second grade created a KWL chart for a forest ranger. We really enjoyed our field trip to Heckrodt Wetland Reserve! We learned a lot about animal tracks and we created animal print molds. Thank you to everyone for their shoebox donations! We are very excited to decorate and try out our snowshoes ☺

What’s Happening in 3rd and 4th Grade

We are looking forward to visiting the Barlow Planetarium Friday afternoon. We will be learning about our Solar System.

Our Six Traits writings about ourselves should be up in the hall soon. It was hard work thinking about all the things that make us each unique. We love to write, so this was a fun journey for us to take.

Third graders are learning about our neighbor to the north, Canada. We have discovered that we are very much like them and some of our roots are the same as theirs. The Fourth graders are finishing up their unit about our southern states. It’s a great time of year to be talking about the south!

Upper Deck

Nugget- all 5th grade nuggets need to be known and the second 4th grade nugget is assigned for Monday

Math

Kayla-began work on chapter 10

Cody, Talon-are learning about decimal division and multiplication

Elliot-fraction concepts

Bruce and Brice-began work on chapter 6

Walker – independently working towards a final exam

Kaila /Bernard -reviewing Algebra concepts, previewing Geometry

5/6 Science-took a test on Weather and basic moon concepts

7/8 Science-took a test on ideas about atmosphere

L.A.-We are still using Literature Circles. Ask your son/daughter how the circles work and what book is being used.

5/6 S.S. - We are entering the world of Ancient Greece and Rome

7/8 S.S. – Just finished WWII and will now do reports on things from WWII.

Trinity's Chili Fest & Quiz Show

Please join us on Sunday February 13th for chili and a quiz show at Trinity Lutheran Church. There will be 3 different styles of chili – beverage and dessert included. Adults \$12, 62+ \$9, Children ages 4-12 \$4

Serving begins at 11:30 with the show starting approximately at 12:30pm

Carry outs available – Call ahead at 470-9090

Toys for Before & After Care

If anyone has any gently used toys that you would like to donate to the before & aftercare program it would be greatly appreciated. Items such as Lego's, Puzzles - small count (no more than 50 pieces) and any craft type items are needed. Please drop off donations in the before/aftercare room or in the school office.

Free Flu Vaccine

Menasha Health Department is offering free flu vaccines for adults. If interested, call the Health Dept at 967-3520 to set up an appointment. The flu vaccine for children is always free.

It's Flu Season...

Just a reminder that if your child is sick, they need to be fever free for 24 hours before returning to school. If your child throws up in the morning before arriving at school, they need to stay home that day.

Pick N' Save We Care Program

Effective immediately, Pick N' Save will be discontinuing the We Care Program due to the increase in scrip cards.

You can purchase Copp's Scrip cards in \$25/\$50 denominations and can be used at any Pick N' Save store.

Pictures for the Yearbook

If anyone has any pictures you would like to submit for the school yearbook, please send them via email to cabaedroske@trinitymenasha.com.

Sophie and Sam McDonald with Grandma on Grandparents Day.
