Thursday, Mar. 17:	Market Day Pick Up, 3:15-4:30pm Faculty Meeting, 3:30pm Cub Scouts, 6pm

Memorial Day Float Committee

Please consider being a part of this group of volunteers. The past 2 years we have had a great time gathering ideas and constructing a fabulous float. This year we will not be able to use the large wagon from Machine Shed, but we know something will come up as an option. Email Cam Bedroske if you can help with ideas and planning. cbedroske@trinitymenasha.com. We must submit our plan by April 5th. As soon as I have names we can meet to discuss ASAP.

Stevie B's Fundraiser

Next Monday, March 14th is our monthly Stevie B's fundraiser. Fifty cents from every person goes back to the school. Come out and support Trinity Lutheran, make sure they know you're from Trinity! Be sure to stop in the office to pick up your scrip. The night at Stevie B's is always the second Monday of each month

The Busy Bees

What a wonderful week we had not only in preschool, but throughout the school! It was National Lutheran's School Week! We had dress up days such as mismatched day, school spirit day, dress your best, and dress in red/pink for diabetes. We had several activities all week long. Monday night was a delicious pot luck dinner followed by a movie feature, Tuesday was a great game of volleyball with the Trinity Staff vs. the 5th-8th graders, Wednesday was an Ash Wednesday church service and on Thursday, we had a walk for diabetes followed by a rocking concert by Pastor. The Busy Bees learned all about weather this week and had some great opportunities to explore the brand new smartboard that was placed in our room! It was a week full of excitement!

“Kindergarten Corner”

This week was very fun. We are very thankful for our school and all of the chances we have to learn and have such good friends. Jesus is here every day with us and our job is to show Him to others. The space shuttle has completed its mission. We made some awesome space helmets in class. Next we will blast off some “rockets”. Hey, check out our door, it is in celebration of Lutheran Schools Week. Didn't the song sound nice in church on Sunday? God is good. We also sang for the Ash Wednesday day service. We sang and left after the song. We have many opportunities to show our love for Jesus.

First and Second Grade Spotlight

It was a great National Lutheran Schools Week! In Science this week we continued working on our “Tacky” Readers' Theater. We will be presenting to Pre-School and Kindergarten next week and we are very excited! During Reading, first grade read “Moving Day” while second grade worked on creating compound words. Our classroom is in need of washable markers, both thick and thin. All donations are deeply appreciated 😊

What's Happening in 3rd and 4th Grade

Our class started Lutheran Schools' Week by going to the Performing Arts Center to hear the symphony concert. We have been learning about the music and the composers that we heard. We were all impressed with the pianist who had won the honor of playing for us. Her fingers flew over the keys. This was a great ending to our wonderful year with the Partners in Education program.

Upper Deck

Kaila Olsen won 3rd place for her essay submitted to the Appleton Public Library. She read her essay on Tuesday at a banquet held in her honor. Congratulations!

Nugget- all 4th and 5th grade nuggets need to be known
Math

Anna, Charity, Maria- beginning problem solving unit and modeling of problems

Keera, Jaden- worked on graphs and representation

Colyn, LuKayla, Danny, Morgan-working on multiplication algorithm of large numbers

Madison, Brandon, Maddie, Courtney, Tyler, Riley-working to achieve a mastery of concepts in chapter 9, took tests, reviewed chapter 8

Kayla-basic fraction operations and comparing

Cody, Talon-took another test, did well as usual
Elliot, Trevor-took a test on ratio and proportion

Bruce, Brice- basic geometry and symbolism

Walker, Kaila, Bernard – working to solidify concepts, took chapter test

5/6 Science- physics, starting with atomic theory

7/8 Science-worked on taxonomy and classification of different kingdoms

L.A.-using theme, prefixes, writing to edit

DINNER THEATRE- I'LL GET MY MAN:

Servers, runners, dishwashers, table set and clean up are needed to help with Dinner Theatre March 31, April 1 and 2. A sign up board is located in the Narthex. Your service help earns you the opportunity to see the play for free! Sign up for one night, two or all three. The more people we have helping, the less work it is for everyone! Rumor has it the play is TERRIFIC! This is a great night of fun and fellowship no matter what part you play!

REMINDER: Free Soup and Sandwich meal will be served on Saturday, March 26 at 4:00 p.m. Host for this month is the Board of Properties. Everyone is welcome to share this meal and fellowship. Hosts are still needed for April and the following months. Sign up board is located in the Narthex. This is a very meaningful and fulfilling ministry for those who serve and those who are served.

SAVE THE DATE:

The Board of Outreach and Social Ministry will again be hosting Family Fun Night which is scheduled for **THURSDAY, JULY 21**. Watch for details and volunteer opportunities. Family Fun Night will be held in the Trinity Parking Lot and gymnasium. Food, games, music, and prizes! Mark your calendar NOW. Everyone is welcome. All fun and activities are free. There will be a small charge for food and beverage.

START CREATING!!

Last year's Repurposed Art Show was so much fun that this year we are expanding! We are hoping that many school families, congregational members and even community artists will join in the fun. The Art Show will be held in conjunction with the Spring Open House & Easter Egg Hunt and MUCH help will be needed. If you are interested in participating or helping in any way, please see the info in the spinner across from the library for more details or contact: Mrs. Juliet Colby with questions or ideas. julietcolby@aol.com or call evenings: 729-0927

We walked for Maddie!! And raised over \$1,800 for Diabetes Research!!

Kindergarten's door says it all...
