## Pastor's Notes †

Hebrews 11:1-16: Hebrews 11 is the great "faith chapter" of the Bible, pointing out that by faith the saints of old lived their lives to the glory of God. By faith they were able to do great things that demonstrated that God was at work in their lives. By faith we are also the children of God and are equipped to do great things that give evidence that God is at work in us. By faith we are sure of what we hope for and certain of what we do not yet see. That makes for joyful living!
