Fox Cities Marathon

It's time once again to break out the running shoes. Bring the whole family for a weekend of activities. Sign-up sheets will be sent home with your children encouraging them to participate in the Kid's Fun Run on Friday September 17th. The weekend continues with a 5k and half-marathon on Saturday and the marathon on Sunday. Every child who participates gets a shirt and a medal. The school is eligible to win up to \$1000 dollars to School Specialty based on number of children we have entered in the events.

No Chapel Envelopes

To help reduce costs at the school we will not be using chapel envelopes this year. If you will still like to have your chapel offerings kept track of for tax purposes simply use an envelope and label the outside with your child's name.

Chapel Offerings

Chapel offerings this year will be sent to David and Beth Hoepfner who are missionaries for the Lutheran Church in India. The work in India to spread God's love and message to the children over there. Monies sent are used to publish bibles, get supplies, and create Arch Books in the native Language of Tamil. Look for flyers throughout the year telling about their work there. Keep them in your prayers as they spread God's Good News.

Help Wanted!

Our Before and After Care numbers have grown so large we are looking to hire an aide. The hours would be approximately 7:15-8:10am and 3:15-5:00pm. If interested please call the school office at 725-1715.

The Busy Bees

We have been busy bees in preschool these first few days of school. It has been lots of fun getting to know one another through games, stories, and songs. Our theme for this week is "All About Me", and we have been learning that each of us are unique, special, and a gift from God. I am very excited and blessed to be working with this bunch of preschoolers! Looking forward to a wonderful year!

Preschool

Kindergarten 'korners'

We are a class of 10 eager learners. It is a great day when we get to play with friends, share Jesus' love and learn new things! We have a pet gerbil named Kronos. Come in to visit and see him. This Friday we will visit the Public Library and become part of a special reading activity. Here are a few things that you could help us gather for some learning activities.

- Clean small water bottle caps
- Ice cream buckets with covers (empty and clean)
- Nylon head scarves (thin and transparent) for music and dancing

Please drop them in the paper bag, outside our door. THANKS!- Mrs. Cam Bedroske

1st and 2nd

In First/Second Grade we voted on a class pet. A lizard won! We are awaiting a grant to partially fund our new classroom friend. We have discussed what our lizard will need. We have been learning new greetings and handshakes to get to know each other better. It has been a great start to the school year!

WHAT'S UP IN THIRD AND FOURTH GRADES

Third and Fourth Graders are off to a great start. We are welcoming five new students to our class this year. Maria and Charity have joined the Third Grade and Tyler, Danny and Colyn are new in Fourth Grade. They are welcome additions to our class. We painted pictures to make a creation mural. God made this wonderful world for us to enjoy and preserve. In science class, we are learning how to think like a scientist. Our new word is hypothesis. Next we will try to use our great imaginations and come up with an invention of our own. It will be fun to see what new things are in store for us in the future.

Upper Deck

The upper grades are getting school under way. They have been busy learning all their teachers names, where to be when, and used to switching classrooms.

They picked their elective classes that will begin next week. They have started their announcements in the morning.
