Wednesday, Oct. 20:	Chapel-8:45am, Pastor Billings
Thursday, Oct. 21:	Scholastic Book Fair begins
Friday, Oct. 22:	Grandparent's Day

Scholastic Book Fair

Come check out all of the great books that are for sale. All of the proceeds will go toward Smart Boards for the classrooms. Visit the homepage at bookfairs.scholastic.com/homepage/trinitymenasha for more information or contact Caroline Bedroske, Principal. We hope to see you there!

New School Cook

Trinity Lutheran School would like to welcome Marcy Mader to our school staff. Marcy has 2 children in our day school, Elliot in grade 6 and Danny in grade 4.

Candy bar Fundraiser

Vande Walle's candy bars will be available for pickup in the school office on Monday. Payment for the candy bars is due at time of pick up. Checks will be held until Nov. 10th to give everyone a chance to collect the money from the candy bars.

Influenza Vaccines

The Menasha Health Department will be offering **FREE** flu vaccines for children ages 6 mos- 18years.
Adults 19 years or older - \$10 per dose
Butte des Mort's Elementary School-501 Tayco St.,
Menasha, November 2, 1pm-2:30pm & 3:30-6:30pm
No Appointment Needed – Walk in only

Checking children in/out of school

If you need to come to school to pick up your child for appointments etc., please make sure you come to the office to sign your child out. Your child will be paged to the office to minimize interruptions in the classroom and maximize learning. We need to know who is in the building at all times. Thank You, Caroline Bedroske

Hat & Mitten Collection

The Ladies Aid will be collecting Hats, Mittens & Scarves for the Emergency Shelter. All sizes, child thru adult, are welcome. Please deposit items in the collection boxes in the Narthex or the School hall. We will be collecting between November 1st thru Thanksgiving.

The Busy Bees

Spiders, spiders everywhere! Preschool is learning all about spiders this week. Spiders help our environment by eating all the bugs that can be pests such as mosquitoes. The preschoolers learned that spiders are not insects; they are arachnids and have two body parts, eight eyes, and eight legs. You will have to come and check out the preschool room to look at all the cool webs that they created!

Kindergarten “kornor”

Our class really enjoys the books of our Author, Denise Fleming. Her books are full of color, interesting vocabulary and great illustrations of animals. We made masks of the cats in her book “Mama Cat and Her Three Kittens”. The students acted out the book as Mrs. Bedroske read it. The end is the most fun. Ask your child how it ends. We also did a great job of singing “Be Strong in the Lord” in chapel this week.

First and Second Grade Spotlight

On Monday, we learned about Christopher Columbus and his discovery of North America. We created ships out of pattern block shapes. Now that the school year is on a roll, both 1st and 2nd grade are working on new spelling words weekly. We are also learning about the different parts of a book and creating our own books! We are still in need of paper towel and resalable sandwich bags. Thank you in advance for the donations ☺

What’s Happening in 3rd and 4th Grade

Thanks to the Neenah Menasha Rotary Club, the 3rd and 4th graders now own a dictionary that they can keep. Members of the Rotary  came to school last week to present each child with their own copy. The children were excited to receive such an awesome gift. Now we will be able to be our own spell-checkers!

Upper Deck

Research suggests middle school students need to add a minimum of 1,000 words to their vocabulary (and some studies suggest as much as 3,100). We will intentionally learn only 10% of that amount. The other 90% can only be learned by reading *voraciously* ☺ Please encourage your child to read! There are many new books in the library to check out! **Nugget-** Review all four nuggets from the 5th grade section.

5th Math-Difficult terms were taught, and they should be reviewed at home. These terms are commutative, identity, and associative properties (CIA).

Course 1&2-Bruce and Brice took the chapter 2 test and worked to work on their understanding of missed concepts. Integers and graphing still remain the focus for both groups.

5/6 Science-Chapter 3 was completed and students created their own tests. This shows if they can identify the important parts of the lessons.

7/8 Science-We began simple experiments in the gym using ramps and tennis balls to explore gravity. We worked to tie this into math and computers by using Microsoft Excel and interpreting the charts feature using our understanding of formulas.

L.A.-Grammar- modifiers from prepositions, Writing-improving previous 1st drafts with prepositions, Reading Strategy-engage and inferences Vocabulary-root work – homo, hydr, log, mech, meter, nym and also preposition Editing-vary sentence size with prepositional phrases **Algebra 1-**Inequalities were reviewed. Students are preparing for the test on chapter 6.

5/6 Social Studies-Students have completed their maps of the United States. Detailing the names, capitols, regions, and rivers. They are hanging in the hallway so stop by and check them out.

7/8 Social Studies- We continue to study our heritage and learn how the United States was founded.

Girl Scouts

Meeting dates are Oct 25, Nov 1, Nov 15, Nov 29 and Dec 13. Time is 3:30-4:30 and parents should use door 2 (by flagpole) and come to the SFH to pick up their child.

Note for the Oct 25th meeting: Bring a washed, white T-shirt for tie-dying!

Grandparent's Day

Grandparent's can join us next Friday Oct. 22nd for a morning of fun. We will have a special program of praise and worship music with David Paul Britton. Please see the attachment for more information. Grandparents are invited to visit the classrooms and tour our book fair.

Lanyards

We now have Trinity Lutheran School lanyards. We are selling them for \$3 each. Please stop in the school office if you would like to purchase one.

SMART board

Our smart board fund has started to grow. We are \$1,990 dollars away from our first smart board for the school! The fund now contains \$460 dollars. Every dollar counts and helps. If you would like to donate please contact the school offices.

New Before and After Care Worker

We would like to welcome Valerie Hintz to our staff. She is the new before and after care worker helping Bonnie. The children have taken a great liking to her and we are excited to have her on board.

Muffins for Moms

Save the date! Muffins for Moms will be November 3rd starting at 8am. Come enjoy some muffins in the Large Fellowship Hall with your child, then stay for chapel. *For moms who can not make it – dads or other special people may substitute in.*

Preschoolers enjoying their new rug!

First and Second grade learning about fire safety and fire trucks.
