Scholastic Book Fair

Oct 26th thru Oct 29th in our gym. Come check out all of the great books that are for sale. All of the proceeds will go toward Smart Boards for the classrooms. Visit the homepage at bookfairs.scholastic.com/homepage/trinitymenasha for more information or contact Caroline Bedroske, Principal. We hope to see you there!

Candy bar Fundraiser

Vande Walle's candy bars will be available for pickup in the school office on October 19th. Payment for the candy bars is due at time of pick up. Checks will be held until Nov. 10th to give everyone a chance to collect the money from the candy bars.

Checking children in/out of school

If you need to come to school to pick up your child for appointments etc., please make sure you come to the office to sign your child out. Your child will be paged to the office to minimize interruptions in the classroom and maximize learning. We need to know who is in the building at all times. Thank You, Caroline Bedroske

Hat & Mitten Collection

The Ladies Aid will be collecting Hats, Mittens & Gloves for the Emergency Shelter. All sizes, child thru adult, are welcome. Please deposit items in the collection boxes in the Narthex or the School hall. We will be collecting between November 1st thru Thanksgiving.

The Busy Bees

October is fire safety month, so the preschoolers have been practicing Stop, Drop, and Roll. They have been busy playing with fire trucks in the sensory table, matching numbers and letters on fire truck cards, and determining whether an item is hot or cold. The preschoolers also have been working really hard with our new handwriting series. They have been learning and exploring the four different types of lines, Big Line, Little Line, Big Curve, and Little Curve.

Kindergarten "korer"

Such a fun week in our room. Did you hear that our gingerbread man that we baked ran away? After a hunt in our school we finally found him so that we could decorate and eat him. Thursday we paid a visit to the Fire Station to drop off some cookies we made. It is Fire Prevention Week. We truly thank our brave fire fighters!

First and Second Grade Spotlight

We had a very exciting week in 1st & 2nd grade! On Monday, the Neenah-Menasha Fire Department gave a very interesting presentation on fire safety. We even got to see and go inside a real fire truck! Our fieldtrip to Heckrodt Nature Preserve was a lot of fun on Tuesday. We saw fish, turtles, snakes, frogs, and a squirrel. On our seed scavenger hunt, we located 12 different kinds of seeds. On Friday, we had a very special author discovery day. Each Chapel Family went around to all of the classrooms and learned about a different author. Ask your child what they learned about the authors! Our classroom is in need of a few items: re-sealable sandwich bags, and paper towels. They can be placed on the shelf outside of our classroom. Thank you in advance for your donation 😊

Grandparent's Day

Grandparent's can join us on Friday Oct. 22nd for a morning of fun. We will have a special program of praise and worship music along with visits to the classrooms and touring our bookfair. Invitations were

sent home this week. More invites are available in the school office if needed. If your child needs to "Adopt a Grandparent, please complete the attached form and return to the office by next Wednesday October 13th.

What's Happening in 3rd and 4th Grade

We had an awesome trip to the Little Farmer. We learned some new things about apples and how they are processed. Ask us what the white powdery substance is on an apple when you pick it from the tree. We have also been getting ready for our part in the Author Event. We heard Beverly Cleary talk in an interview about her books.

Upper Deck

Nugget- #4 Romans 8:38-39.

5th Math-Chapter 2 is a review of adding and subtracting rules, including decimals.

Course 1&2-These classes are working at basic graph concepts. Again, Bruce, Brice, and Jacob have worked exceedingly well.

5/6 Science-A test was given Wednesday on the presented materials of the groups. You should have seen two questions worked on over the previous weekend that are a part of the test.

7/8 Science-Students began presenting material prepared on space exploration concepts. Bernard and Walker presented a timeline, and Kaila presented basic gravity equations and concepts.

L.A.-Grammar-comma usage and modifiers, Writing-writing from a prompt, Reading Strategy-engage Vocabulary-root work gen, geo, graph -, Editing-reverse spell check, quick edit

Algebra 1-Inequalities were reviewed, including the idea of changing the sign when multiplying or dividing by a negative.

Girl Scouts

Meeting dates are Oct 25, Nov 1, Nov 15, Nov 29 and Dec 13. Time is 3:30-4:30 and parents should use door 2 (by flagpole) and come to the SFH to pick up their child.

Note for the Oct 25th meeting: Bring a washed, white T-shirt for tie-dying!
