Pastor's Notes †

Colossians 1:1-14: Paul's prayer for the Colossians was that by God's grace they might live lives worthy of their high calling as God's stewards and bear the fruits of their faith. May it also be our prayer that we and our fellow stewards live lives worthy of our high calling and keep on doing those things that honor God and bless our neighbors whether they are next door or around the world.

PASTOR'S CLASS for July 18th:

First Freedoms Are Under Attack. Those pushing the radical homosexual agenda have a major goal: the Employment Non-discrimination Act (ENDA). While its name sounds good, ENDA is a direct assault on our freedoms of speech and religion, hijacking civil rights laws to give rights no one else has to homosexuals And cross-dressers. These special rights come at the cost of your rights. ENDA is a grave threat to Christian business owners and employees, day care centers, churches, and, ultimately, marriage itself. Come see this important video and pray God's direction as to what action He wishes you to take.
